TURIABERA, MANGO, JAMSHEDPUR

STUDIES & CURRICULUM

The medium of instruction is English. However, Hindi being the national language, has a vital role in the curriculum and is taught daily in all the standards.

The curriculum embraces, Moral Science, English, Hindi, Maths, Science, Social Studies, Computer Science, Sanskrit, General Knowledge, Art & Craft, Physical Education. We have a provision for Science & Commerce streams in the +2 classes.

Yoga has been a great form of physical activity. Therefore Yoga has been embedded in our time table for all students.

Regular attendance, alertness in class, performance of regular work and revision are sufficient to make progress. **In this connection it has been noted, that private tuition is regarded as unnecessary.**

It encourages students to be inattentive in class.

No student is allowed to go to a teacher of B. B. E. H. S for tuitions.
